

Admission to Non-degree Programs for 2025 International Students of Jilin Animation Institute

I. Introduction of JAI

- Founded in 2000
- National Animation Teaching and Research Base
- National Animation Industry Base
- National Cultural Industry Demonstration Base
- National Innovation and Entrepreneurship School Construction Unit
- Won the “Best Animation Education Institution” at China Culture and Art Government Award
- Ranked 44th in the world and 9th in Asia in the 2024 “Animation Career Review” International Animation School Rankings

Jilin Animation Institute (JAI) comprises 15 teaching units, including the School of Animation Art, School of Comics, School of Games, School of Design and Product, etc., offering 32 undergraduate programs such as Animation, Comics, Digital Media Art, Visual Communication Design. There are more than 13,000 students on campus.

Adhering to the characteristic of "open and international" education, the institute has established intercollegiate cooperative relations with 97 institutions in 23 countries and regions worldwide. More than 500 global industry experts have been invited as visiting professors, conducting activities such as lectures and workshops throughout the year. It is currently a member of international industry associations including ASIFA, Cumulus, ICoD, and CILECT.

The institute has successively hosted more than 60 large-scale forums such as the China (Jilin) Animation Conference, China·Jilin International Animation and Game Forum, China-US Comics Summit Forum, and Sino-French Cultural Spring Exchange Season. It regularly hosts and organizes international exhibitions and competitions all year around, with faculty and student works winning (or being shortlisted) more than 300 international awards.

The campus environment is beautiful and the infrastructure is complete. There are two campuses in total. Campus life is rich and colorful, with diverse club activities. Each year, various cultural performances, sports meets, cultural experience projects, social practices and other activities are held, which are highly popular among students.

II. Application for Admission

1. Application Time

(1) Application deadline for Spring semester: December 31

(2) Application deadline for Fall semester: June 30

2. Registration Method

Email: gjlxy@jlai.edu.cn

Consultation Phone Number: 86-431-87011165

3. Application Qualifications and Materials

Admissions Type	Application Qualifications	Application Materials
Intercollegiate Exchange Students Program	<ol style="list-style-type: none"> Applicants must be non-Chinese citizens holding valid foreign passports. Applicants must have good moral character, abide by Chinese laws and regulations, as well as various school rules and regulations, respect Chinese people's customs, have a high school diploma with good academic performance, and be in good health. According to the exchange agreements signed between our university and overseas (including Hong Kong, Macao and Taiwan regions) universities, applicants who come to our institute to take undergraduate courses, in principle, have an exchange study period of at least one semester and no more than one academic year. In principle, applicants whose Chinese level is lower than HSK4 need to take Chinese learning for half a year to one year before applying for professional study. 	<p>Scan the QR code to view the detailed list of required materials:</p> 
Chinese Language and Chinese Culture Study Students Program	<ol style="list-style-type: none"> Applicants must be non-Chinese citizens holding valid foreign passports. Age between 18 and 30 years old (applicants under 18 must submit a guardian's guarantee letter). Applicants must have good moral character, abide by Chinese laws and regulations, as well as various school rules and regulations, respect Chinese people's customs. Applicants should have a high school diploma with good academic performance, and be in good health. 	

4. Application Process

- (1) **Online Application:** Applicants should submit relevant application materials to *gjlxxy@jlai.edu.cn* within the specified time.
- (2) **Qualification Review:** After receiving the application materials, the institute will organize a qualification review. If the submitted information or materials fail the review, the applicant must resubmit the relevant information or materials promptly as required.
- (3) **Interview:** For applicants who pass the qualification review, the institute will organize remote interviews or written tests (professional proficiency tests) as needed. Specific arrangements will be notified separately.
- (4) **Admission:** For applicants who pass the qualification review and professional proficiency test will receive an "Admission Letter" and a "Visa Application For Study in China (JW202 Form)". Overseas students should apply for a Chinese visa at the embassy or consulate of the People's Republic of China in their home country. Foreign applicants who already hold a valid residence permit in China can directly contact the International Students Management Office of the institute.
- (5) **Enrollment:** Complete the registration procedures at the International Exchange School of Jilin Animation Institute within the specified time according to the specific requirements of the "Admission Letter" and "Admission Information". Upon enrollment, the school will review the applicant's information and materials for admission qualification. In case of violations, fraud, or other irregularities, the admission qualification will be canceled upon verification.

5. Insurance for Studying in China:

In accordance with relevant regulations of the Ministry of Education of China, international students must purchase insurance for studying in China during their study period. Students should purchase it on their own before registration(Study Abroad Insurance Website:

<https://www.lxbx.net/home>). Those who fail to purchase medical insurance as required will not be registered by the school.

III. Other Expenses

1. Tuition fees for exchange students (per person per year, exchange students will be charged based on the actual duration of their applied study period. If students come from partner institutions with tuition waiver agreements, no tuition fees will be charged during the exchange study period)

There are 26 undergraduate programs taught in Chinese available for overseas(including Hong Kong,Macao and Taiwan regions) students(exchange students). The institute will update the program list regularly every year.
